Learn how to enhance your resume, cover letter, and job application strategies.

Group Workshops

November 12, 2024, Time 2:30pm-4:30pm

Workshop: *LMI, NOC, Transferable Skills for Resume*

Learn about Labour Market Information, the National Occupational Classification (NOC), and transferable skills. Assess your strengths and identify areas for improvement, along with strategies to enhance them. Transferable skills are essential, as they provide the adaptability needed to excel in a competitive job market.

December 12, 2024, Time 2:30pm-4:30pm

Workshop: *Resume Writing Essentials*

We'll cover what makes a résumé meet today's standards and help you handle common job search challenges in an ethical way. You'll learn how to offer personalized résumé support tailored to each client's background, goals, and needs.
